

# Nomad Safaris — 4WD Adventure Professionals

Nomad Safaris has been guiding tours into remote locations around Queenstown for nearly 30 years. These are authentic adventures packed with local history, movie locations, stunning scenery and thrilling off-roading.

## GOLD SEEKER - The Golden Trail

An exciting 4WD safari that encompasses the best of the scenery, environment, history and movie locations around the Queenstown and Arrowtown high country. Visit one or both of the iconic Roads created by the pioneers 150 years ago, Macetown Road and Skippers Road. Forging the Arrow River, following the old miner's wagon trail, zig-zagging along the original access track to Wanaka or negotiating the sheer cliff spectacular canyon roads. True off-road adventure in the blink of an eye!
